

Summer Term Class Griffin - Homework Grid

Where does food come from?

Please remember to read at home with your child and practice any spellings and times tables (2, 3, 4, 5, 6, 8 and 10). In addition, please choose one piece of homework each week to complete. Make sure you choose homework from different sections of the grid and hand one piece in each Monday.

<p>Language, Literacy and Communication</p> 	<p>Design a healthy eating poster and include the origin of where we get the healthy foods. Do they grow on a farm near you?</p>	<p>Write an information leaflet about where a certain food comes from. Include its origin, where is it sold now, is it imported?</p>
<p>Cymraeg</p> 	<p>Improve your Welsh vocabulary by visiting the Campau Cosmig app.</p> 	<p>Use the Hapus app to practise talking in the past tense and about yourselves and interests in Welsh.</p> 
<p>Expressive Arts</p> 	<p>Can you re-design a packaging for your favourite food?</p> <p>Think about a new slogan or what colours and design you would use!</p>	<p>Still life! Put a selection of fruits in a bowl and work on texture, pencil technique and shading to creating a still life image of the fruits. Look online for examples!</p>
<p>Science and Technology</p> 	<p>Can you find out about the properties of sound and how it is heard? Create a poster to show what you have learnt.</p>	<p>Use your IT skills to make a PPT presentation about healthy foods and living a balanced lifestyle.</p>
<p>Mathematics and Numeracy</p>	<p>Practice work on money, finding totals and calculating change. Try using the following wing links. Toy Shop Money Game (GBP) - Topmarks</p>	<p>Practice your mental maths speed by doing 10 addition or times tables sums as quick as you can. Use the same 10 questions in a random order until you</p>

	Early Years Money Games for 5-8 Year Old MoneySense (mymoneysense.com) The Money Change Game Online Money Games MoneySense (mymoneysense.com)	get them all right in less than 2 minutes. Then choose another set of numbers. Addition 1digit and 2digit numbers e.g. 8+9, 4+17, 23+25 etc Times tables 2, 3, 4, 5, and 10
Humanities 	Can you find a religion that has special foods to celebrate different times of the year? Create a poster.	Can you produce a PowerPoint presentation on why healthy eating is important?
Health and Wellbeing 	Can you design a healthy recipe for your whole family to enjoy? Write the recipe and share some pictures with us on dojo!	Can you create a yoga sequence for you to share with us at school. Choose relaxing music to go with your yoga session.

If you have any creative ideas of your own which you would like to do one week instead of doing one of the projects that's fine. Any word processing, photos, PPTs or other ICT based learning needs to be uploaded onto your Hwb folder.

Please remember your Hwb folders are where you store your **home or school based digital learning only**.

You need to remember to leave a brief comment for the teacher each time you upload or do some homework on Hwb otherwise we don't know you have been busy doing extra learning!

We look forward to seeing your wonderful creations!
