Use the same 10 questions in a random order until you get them all right in less than 2 minutes. Then choose another set of numbers.  Addition 1digit and 2digit numbers e.g. 8+9, 4+17, 23+25 etc  Times tables 2, 3, 4, 5, and 10</p>
<p><b>Humanities</b></p> 	<p>Can you design your own plan of a Castle, showing where the buildings are, the gardens, boundary walls, footpaths and any other features. The plan should be a aerial view looking down on the Castle.</p> 	<p>Can you produce a PowerPoint presentation on Castles or one Castle you like.</p> 
<p><b>Health and Wellbeing</b></p> 	<p>Can you follow a simple recipe to make something tasty at home. Can you, make a list of the instructions and maybe some images to share with the class.</p> 	<p>Can you invent an outdoor game that you and your friends could play at playtimes.</p> 

If you have any creative ideas of your own which you would like to do one week instead of doing one of the projects that's fine. Any word processing, photos, PPTs or other ICT based learning needs to be uploaded onto your Hwb folder.

Please remember your Hwb folders are where you store your **home or school based digital learning only**.

You need to remember to leave a brief comment for the teacher each time you upload or do some homework on Hwb otherwise we don't know you have been busy doing extra learning!

We look forward to seeing your wonderful creations!
