April 2024

To Parents at Berriew School,

I have some spaces available in September due to some year 6's going up to high school in this school and also in another school that I visit on the same day.

Not all of the instruments are available at school due to other teachers coming in so please do enquire if you are interested in one of the above and I will double check which ones we can do.

I have been teaching at Berriew school since 2010 and I used to go to the school myself a long time ago so I would really like to build up the numbers here now there is the possibility again in my schedule.
