1. Mission statement

Our Mission is to provide an environment where all children are supported, kept safe, cared for, listen to and are happy coming to school. Through our vibrant and exciting curriculum, co-constructed with our learners, we engage our children in purposeful and challenging experiences, providing them with the knowledge and skills they need to fulfil each of their potential and become successful contributors in our ever-changing world. Our learners are at the heart of our curriculum, and we all work together to establish a creative learning environment which is fun, safe, and caring, enabling our learners to flourish. We, foster our learner's natural curiosity and their love of learning, promoting the importance of marvellous mistakes whilst diving into our Welsh heritage and dipping our toes into other languages and cultures along the way.

Fundamentally, our school is a brain stretching, laughter sharing, independence building, happy memory making, family feel school, where every single child matter and is valued and cared for.

“Be Bold, Be Brilliant Be the best you at Berriew.”

Berriew CP school is committed to providing a full and efficient education to all learners and embraces the concept of equal opportunities for all.

We will provide an environment where all learners feel valued and welcomed and are committed to the fundamental principle that early intervention and partnership working is crucial in ensuring the attendance, protection and wellbeing of all children.

The school will follow the Wales Safeguarding Procedures, *Belonging, engaging and participating*¹ and local protocols in relation to specific and identifiable wellbeing issues that prevent a child from accessing education, or where there are safeguarding concerns.

As outlined in *Belonging, engaging and participating*, ‘attendance cannot be considered in isolation. The many interrelated and overlapping causes of absence and the varied nature of the learner experience in school, the community and at home mean that whole school strategies and strong multi-agency working arrangements are needed, designed to support all learners.’²

The school will review this policy and its systems for improving attendance and the whole school approach for promoting strong attendance and a positive learning environment on an annual basis to ensure that it is in line with national

and local guidance, school priorities and effectively supports learners to access education.

1. Promoting attendance

The foundation for good attendance is a strong partnership between the school, parents, carers and learners as outlined in *Belonging, engaging and participating*³, the Welsh Government guidance on improving learner engagement and attendance.

‘Improving attendance requires a whole-school and whole-system approach’⁴, where ‘learner engagement and improving attendance is a continuous process that begins with developing trusting relationships between school staff and learners’⁵.

We will:

- ensure that our learners are aware of the importance of good attendance and how this will benefit them, both now and in the future
- offer reward schemes for individual learners, classes and year groups who have high levels of school attendance, no unauthorised absence and/or have shown to significantly improve their attendance rates.
- use a variety of strategies to intervene at an early stage to encourage improved attendance of individual learners and assist to overcome any barriers that may be preventing the expected level of attendance. These strategies may be school-based, or may be implemented jointly with other partners to ensure the most appropriate support for the individual and their family.
- Clear guidance of how the school and families will work together to ensure learners’ have good attendance in the home-school agreement.
- Ensure we have smooth transition plans in place. This involves working closely with the Berriew Preschool and other local providers to ensure our reception children are ready for school. In addition, working with the SLT at the the local high schools when our children move into year 7.

2. Roles and responsibilities

Attendance is the responsibility of all staff however, the head teacher is the designated member of staff for attendance matters. He works closely with the staff, mainly the administrative officer and the ALNCo to ensure all pupils attend school and that attendance is monitored and any concerns raised and dealt with through a discussion with parents or the EWO.

The Designated Member of Staff for Attendance:

- monitors the school's registers;
- liaises with teaching staff and administration officer;
- meets with the LA Officer on a regular pre-arranged basis;
- refers to other agencies if appropriate;
- refers to the school nurse if there are doubts about the validity of an illness;
- oversees the use of standardised letters to parents addressing specific aspects of attendance and requiring parental response,
- arranges for an attendance meeting in the case of repeated, unexplained absences (school will consider inviting the named governor for attendance)

To support a learner effectively, it is important to establish close working relationships between families, learners, schools, the local authority and other professionals.

A key part of any successful working relationship is a clear understanding of each person's role and responsibilities. The following section clarifies the roles and responsibilities for those people engaged in supporting learner attendance.

The Parent / Carer

Parents / carers are responsible for ensuring that their child attends full-time education that is suitable to their child's age, ability and aptitude and to any additional learning needs (ALN) that the child may have.

Parents / carers are also responsible for ensuring that their child attends school on time; **this is a legal requirement**. We understand that sometimes there are situations at home that may make it difficult for a learner to arrive on time, it is important that parents / carers let us know should such a circumstance arise.

In addition, parents can do a great deal to support the regular and punctual attendance of their children. Parents should:

- a) take an active interest in their child's school life and work;
- b) attend parents' evenings and other school events, if possible;
- c) ensure that their child completes his/her homework and goes to bed at an appropriate time;
- d) be aware of letters from school which their child brings home;
- e) ensure that their child only misses school for reasons which are unavoidable or justified, such as illness or days of religious observance;
- f) always notify the school as soon as possible - preferably on the first morning - of any absence;
- g) avoid booking family holidays during term-time;
- h) talk to the school if they are concerned that their child may be reluctant to attend.

The school day

Breakfast club	7.45 until 8.45
School starts at 8.50	Register open from 8.50 – 9.20 Staff check emails/class dojo Administration officer to call parents to check for absence in no message sent in. (a child arriving during this time will receive a late mark L, a child arriving after 9.20 will be marked as absence code U, with a note added on the register).
Lunchtime – Foundation Learning classes	11.45 – 12.45
Lunchtime – KS2 classes	12.10 – 1.10
End of the school day	3.30
Afterschool club	3.40-5.30

The School

Schools have a range of responsibilities in respect of attendance. The school will:

- Take an attendance register twice a day; at the **start** of the morning session and once during the afternoon session.
- Monitor individual attendance rates daily to identify any emerging trends and possible safeguarding concerns.
- Use their interventions to improve individual learner attendance.
- Have ‘eyes on’ a learner who has been absent from school for more than five school days. This includes undertaking home visits where contact is not possible at school or in the community.
- Make a referral to the Education Welfare Service for support, advice and guidance when the school has exhausted all other reasonable methods.

Attendance Lead

Mr Sean Clarke (Headteacher) will be responsible for the strategic management of attendance across the school.

THE NAMED PERSON WILL:

- Gather and scrutinise attendance data on a half termly basis using information from Teacher Centre;
- Monitor trends and patterns across cohort of learners;
- Identify individuals or groups requiring interventions;

- Inform the Designated Safeguarding Person that if a learner/s on the child protection register is absent from school; this must be on the first day of absence.
- Direct resources for the best possible outcomes;
- Coordinate and monitor interventions;
- Evaluate interventions for their impact and effectiveness;
- Amend and revise the school's approaches.
- Hold 'return to school' discussions with learners after periods of absence to ascertain the reason and to understand if there are any barriers to the pupil fully engaging in their education or if they require any additional support.

class teachers

CLASS TEACHER (PRIMARY) WILL:

- Be responsible for completing the morning and afternoon registers fully and accurately.
- Record any details known to them about reasons for absence;

Attendance Administrator

The ADMINISTRATION OFFICER WILL:

- Follow up on any unmarked registers,
- Escalate concerns about registers to the attendance lead;
- Undertake first day calling every day for a learner whose family has not made contact; collate and log any supporting evidence;
- Flag any first-day absences of learners on the child protection register with the designated safeguarding person;
- Flag any first-day absences of learners who are children looked after with the designated teacher for children looked after;
- Chase any outstanding forms, absence notes, holiday request forms etc.;

Designated Safeguarding Person – Sean Clarke

Deputy Designated Safeguarding Person – Sophie Lewis

THE DESIGNATED SAFEGUARDING PERSON WILL:

- Ensure that social workers for learners on the child protection register are informed of any absences on the first day of absence.

Designated Teacher for Children Looked After – Sean Clarke

Deputy Designated Teacher for Children Looked After – Sophie Lewis

THE DESIGNATED TEACHER FOR CHILDREN LOOKED AFTER WILL:

- Ensure that the workers for learners who are looked after are informed of any absences on the first day of absence.
- Ensure that the home authority's virtual school / looked after children education coordinator are kept informed of the attendance of children looked after in the school.

Headteacher – Sean Clarke

THE HEADTEACHER WILL:

- Make the final decision on coding, including authorisation or not of holidays.

3. School procedures

Any learner who is absent from school at the morning or afternoon registration period will have their absence recorded as being authorised, unauthorised or as an approved educational activity (attendance out of school). Only the headteacher, or a member of staff acting on their behalf, can authorise absence.

Registration coding is in line with the Welsh Government guidance on school attendance codes⁶.

3.1 Punctuality

Morning registration will take place at the start of school at **8.50**. The registers will remain open for a maximum of 30 minutes from this start time, in accordance with Welsh Government guidance.

Learners arriving after the start of school but before the end of the 30-minute registration period will be coded as late (L code). Any pupil arriving after this time will be marked as having an unauthorised absence (U code) unless there is an acceptable explanation i.e. school transport was delayed. In addition, where the absence at registration was for attending an early morning medical appointment, the appropriate authorised absence code will be entered (M code).

⁶ Guidance on school attendance codes, Welsh Government, 2016 <https://www.gov.wales/school-attendance-codes-guidance#:~:text=School%20attendance%20codes:%20guidance.%20The%20codes%20that%20schools%20must%20use,> accessed on 26.09.2024

Afternoon registration will be at 12.45 for Foundation learners and 1.15 for Key stage 2. Any pupil arriving after this time within 30 minutes of the register taken will be marked as present but late (L code). If they arrive more than 30 minutes after the start of the afternoon session they will be marked as unauthorised (U code).

The school will follow-up on lateness with the learner and / or their parent / carer via a letter sent to parents.

If a learner is persistently late, the school will the headteacher will hold a meeting with the parents to discuss options for improving attendance. If this continues then a meeting will be arranged with the Education Welfare Officer.

3.2 Dual Registration

Where a learner attends another school, the Pupil Referral Unit or receives medical tuition, they will be dual registered with both the school and the other provider. The main school will be whichever the child attends for more than 50% of their time. The other will be the subsidiary.

Both schools or provisions must maintain an accurate register. The school will liaise with the other education provider on a daily basis in order to identify learners who are absent and mark the register accordingly.

If the learner attends, the education provider where they attend will mark them as present (/ or \ code) and the school will mark the register with a D code (which counts as present). If they are absent, the education provider and the school will both mark the register with the appropriate absence code.

3.3 First day absence

Parents and carers are reminded that they should contact the school by **9.15** if their child is not able to attend school on that day. Parents and carers must state the full reason for the child's non-attendance (not just "feeling unwell") and indicate the likely date they will return to school. Parents and carers should be prepared for the members of school staff to ask questions about the pupil's condition, the patterns or trends in their absences and any treatment they may be receiving.

If a parent or carer does not contact the school, staff will try to find out the specific reason for non-attendance as soon as possible on the first day of absence. The administration Officer will call home to determine the reason for a child's absence. Once the specific information is received, the register will be amended to reflect the appropriate absence code (see Appendix 1 for the types of code).

If no appropriate reason is given for the absence, the absence will be recorded as unauthorised (O code).

3.4 Absence – supporting evidence

Supporting evidence or communication received from parents / carers explaining the reason for the absence will be recorded and kept on file. This could be an email, letter or phone communication. This includes holiday requests.

Parents and carers should be made aware that only the headteacher (or an appropriately delegated member of the SLT) can authorise an absence. Further information (such as a letter from a GP or consultant) may be required to support reasons given for absence.

3.5 Persistent and severe absence

The school will work proactively identify emerging persistent absence. Where a pattern begins to develop, the school will arrange a meeting with the parents to discuss the matter in order to resolve the problem/issue as quickly as possible.

The Welsh Government defines persistent absence as below 90%.

The local authority defines severe persistent absence as below 50%.

The use of the terms persistent and severe absence helps to clearly define the difference between those learners who are occasionally absent and those learners who are seen in school far less frequently. This supports schools to target interventions and responses effectively as well as understand where safeguarding risks may be heightened.

3.6 Medical and illness absences

Where a learner requires a routine medical appointment (such as a dentist appointment), these should be made outside of the school day. If this is not possible, a copy of the appointment letter should be provided to the school ahead of the appointment date. The parent / carer should try to ensure that the learner attends school some of the day, where possible.

If a learner is repeatedly absent due to illness, the school may request supporting evidence that the learner is receiving the necessary medical treatment. An appointment card, consultant letter, photograph of prescription medication, would all suffice as medical evidence. Without the necessary evidence, the school may notify the parent or carer that all future absences will be unauthorised until the necessary medical evidence has been provided, and a referral to the Education Welfare Service may be made.

In addition, some learners may require additional provision and support where their known medical needs have a long-term and persistent impact on their attendance⁷. Examples could include, but are not limited to:

⁷ Supporting learners with health care needs, Welsh Government, 2018, <https://www.gov.wales/supporting-learners-healthcare-needs-0#:~:text=Guidance%20for%20local%20authorities%20and%20schools%20on%20how%20to%20help>, accessed on 26.09.24

- Recuperation following a hospital stay or operation;
- A longer period of illness (such as glandular fever);
- Conditions for which regular appointments or treatments are unavoidable (such as kidney dialysis, chemotherapy, radiotherapy).

The school will provide appropriate support on a case-by-case basis. This may include seeking additional advice, guidance, support or provision from the local authority.

3.7 Holidays

Holidays during term time should be avoided as any absence can have an impact on learning.

Parents / carers should apply in advance to take holidays in term time: the fact that holiday has been booked does not automatically give permission. If the headteacher doesn't agree and the family goes anyway, it's an unauthorised absence. The headteacher is not obliged to authorise holiday absence, and there is no minimum entitlement of holiday absence.

The headteacher has the discretion to authorise absences for up to 10 days in a school year. Part of the decision-making process will include a review of the learner's absences to date. If a learner is away for longer than agreed, the period outside the agreed dates will be an unauthorised absence. There is no right to appeal: the decision of the headteacher is final.

Should a family wish to submit a request for their child to be absent from school for the purposes of a holiday, they should complete a holiday request form available from the office.

The family will be notified of the outcome of the request following a review by the headteacher or member of the SLT to determine if it will be authorised or not.

Parents and carers are advised that a fixed penalty notice may be issued by the local authority when permission for a holiday or leave of absence has not been authorised by the school. The local authority's Code of Conduct for issuing Fixed Penalty Notices can be obtained from the school, the local authority's website or the Education Welfare Service.

4. Attendance initiatives and multi-agency working

The school will raise the awareness of school attendance, promote good attendance and tackle unauthorised absence.

The school will use a rewards system to reward learners who have excellent or improving attendance. Letter will be sent home by the headteacher.

The school will work with other agencies, including the local authority, on general school attendance matters. Additionally, the school will seek advice and guidance from, and make referrals to, appropriate agencies to support individual learners.

The school will work closely with the Berriew preschool to support transition

- Arranging transition days between the preschool and the reception class
- Liaise with new parents through newsletters
- Produce a welcome pack for new parents outlining the expectations for the reception class at Berriew School
- Parental engagement work (class welcome meeting, coffee mornings, etc.)

The Education Welfare Service (EWS)

'The EWS is committed to the fundamental principle, that early intervention strategies and partnership working, is crucial in ensuring the protection and wellbeing of all children and young people.'⁸

Sometimes it will be necessary for the school to contact the EWS about an individual learner to seek advice, guidance and support to improve their attendance. This may involve the Education Welfare Officer (EWO) contacting the family and / or making a home visit. Parents / carers, and the learner where appropriate, may also be invited to a meeting with the school and the Education Welfare Officer.

Youth Service (Secondary Schools)

The Youth Service will focus on working with young people aged 11 years and above to raise self-esteem, build confidence, support peer-to-peer working, to assist integration into education. The Youth Service will support a young person to overcome social and emotional barriers they are facing that are preventing them from fully engaging in school life and may be limiting their attendance.

Family Liaison Officer

The family Liaison Officer may be contacted to support families who are having difficulties with attendance and work with them and the school to overcome any issues. This could independent meetings with the FLO or making a home visit.

5. Reintegration following absence

The school will welcome back all learners on return from an absence. This will include ensuring that the learner is helped to catch up on missed work and brought up to date on any information that has been passed to the other learners.

⁸ Welsh Government, October 2023, Belonging, engaging and participating: Guidance on improving learner engagement and attendance, <https://www.gov.wales/improving-school-attendance>, accessed 26.09.24, p. 52

If the learner has been absent for a considerable period of time, the school will arrange a meeting with the family before the child's return to ensure that the transition back into school is as smooth as possible, with additional support of necessary. to ensure that they are well supported with the transition back to school. In some cases, a reintegration plan will be introduced tailored to the needs of the individual.

6. Fixed Penalty Notices for non-attendance at school

The school may, in line with the local authority's Code of Conduct, request the local authority to issue a fixed penalty notices where a parent/carer has failed to secure their child's regular attendance at school.

7. Retention of records

All attendance records are stored on Teacher Centre and can be accessed by the administration officer and |Headteacher..

Attendance regulations stipulate that attendance records should be retained for at least three years.

8. Attendance targets

A system for analysing performance towards the targets has been established and the headteacher is responsible for overseeing this work. The school and Governing body will make use of the attendance data available from the local authority when reviewing its targets.

The head teacher will present the attendance data in each of the termly reports to the Governing body for the figures to be scrutinised against the attainment data. The Governors will have the opportunity to challenge the data alongside the practices for managing attendance, in order to tackle the overall absence rates across the school and within specific cohorts of learners.

APPENDIX 1: Registration codes

The following national codes will be used to record attendance information.
